The Charles E. Smith Jewish Day School does not rank its students.

A weighted academic - English, History, Math, Science, Languages, Jewish History (JH), Jewish Text (JT), STEM, Academic Electives (AcE) - GPA is computed with ADV classes receiving an additional one point on a 4.0 scale.

CESJDS Curriculum:

CESJDS curriculum includes two levels of courses. Enriched College Prep courses are rigorous, challenging and nurture creativity, critical thinking, collaborative learning skills, and independent learning. Advanced courses expect that students will demonstrate significant skills in independent work, oral and written expression, critical and original thinking and unusual motivation toward their learning.

ADV = Advanced ACC = Accelerated (Math)
All other courses are Enriched College Preparatory

Community Service:

All students must fulfill a minimum of 80 hours of supervised community service.

Dean's List:

Eligibility is a 3.75 final year unweighted grade point average on a 4.0 scale, with no final grade below a "B".

COVID-19 Update:

The school pivoted to online learning in mid-March 2020 which included regularly scheduled synchronous and asynchronous learning. Rather than using a pass/fail option, our students received grades for the school year. This policy continued into the 2020-2021 school year. In November 2020, CESJDS transitioned to a hybrid model with high school students receiving in-person instruction two days weekly and virtual learning the remaining time.
