

5 HACKS TO RAISE YOUR **SAT** SCORE

- 1 | Spend as much money as you can afford on the best SAT tutor in your area.
- 2 | Practice, practice, practice.
- 3 | Practice under pressure.
- 4 | Have a plan. Work the plan. Do not ditch your strategy at the 1st moment of stress.
- 5 | Sign up for the real test early. Sophomore year is not too early. Find your deficiencies and work to improve them.
