During the COVID-19 pandemic, YHS (along with all New York State High Schools) shifted to online learning from 3/16/20 through the end of the 2019-2020 school year. Teachers modified lessons to optimally suit distance learning, students were provided with assignments/assessments, and attendance was recorded.

For the 2020-21 school year, YHS implemented a hybrid model and full remote option which incorporated synchronous and asynchronous learning. As of September, 2021 all YHS students attend school in person, full time. If you have additional questions please contact Cynthia Cervini, Supervisor of School Counseling Services.
