The collection and maintenance of this information are authorized under the Education Act, R.S.O., 1990, c. E.2, s. 266. Users of this information are supervisory officers and the principal and teachers of the school. This is the official record of the student's educational history. The contact person regarding the collection of this information is the principal of the school.

The Ontario Student Transcript (OST) is the official record of a student's academic achievement in the province of Ontario. The OST contains a record of the following:

- all courses in all secondary school grades successfully completed before September 1, 1999
- all Grade 9 and 10 courses begun and successfully completed during or after the 1999–2000 school year
- all successful and unsuccessful attempts at completing Grade 11 and 12 courses and Ontario Academic Courses (OACs) made during or after the 1999–2000 school year

“Course Code” column

The *first three characters* of the course codes are those given in the ministry's list of common course codes.

The *fourth character* indicates the grade of a course, as follows: **1** (Grade 9), **2** (Grade 10), **3** (Grade 11), **4** (Grade 12), and **0** (OAC). For courses in ESL, classical/international languages, and Native languages only, it indicates the level of a course, as follows: **A** (Level 1), **B** (Level 2), **C** (Level 3), **D** (Level 4), and **E** (Level 5).

The *fifth character* indicates the type of course, as follows: **D** (academic), **P** (applied), **O** (open), **U** (university preparation), **M** (university/college preparation), **C** (college preparation), **E** (workplace preparation), **T** (college-delivered dual credit), **Y** (college-delivered apprenticeship dual credit), and **Z** (university-delivered dual credit). Transfer courses are indicated as follows: **H** (academic), **J** (applied), **K** (university preparation), **V** (university/college preparation), **Q** or **R** (college preparation), and **S** (workplace preparation). Locally developed courses are indicated as follows: **1** (academic), **2** (applied), **3** (open), **4** (board-developed compulsory Grade 9 or 10 English, math, science, Canadian history, or French as a second language), **L** (compulsory Grade 9 or 10 English, math, science, or Canadian history approved by the ministry), **5** (workplace preparation), **6** (college preparation), **7** (university preparation), and **8** (university/college preparation).

For students who began secondary school between 1984–85 and 1999–2000, the fifth character indicates the level of difficulty of a course, as follows: **A** (advanced), **B** (basic), and **G** (general) for courses based on ministry curriculum guidelines; and **X** (advanced), **Y** (basic), and **Z** (general) for non-guideline courses.

Course codes beginning with “K” indicate courses consisting of alternative expectations, which do not lead to credits. These codes are structured somewhat differently: the fourth character indicates the year of attendance in secondary school (**A** for the first year, **B** for the second, etc.); and the fifth character, **N**, indicates a non-credit course.

Course codes ending with “4T”, “4Y”, or “4Z” indicate dual credit courses. Credits for these courses are granted according to standards developed by the college or university involved.

QEV is the code for credits received in the Grade 9 program from 1993–94 to 1998–99 (a total of 8 credits, including the compulsory credits).

PLE is the code for equivalent credits granted as one total for the following:

- previous learning through home schooling in Ontario, at a non-inspected private school in Ontario, or at a school outside Ontario
- previous learning in Grades 9 and 10 for *mature students* who entered or re-entered the Ontario secondary school system *on February 1, 2004, or later*

The codes indicating credits granted to *mature students* who entered or re-entered secondary school *before February 1, 2004*, are as follows: **QEE** (equivalent-education credit), **QAP** (apprenticeship-training credit), **QMA** (maturity-allowance credit), and **QSE** (credit for course work completed outside Ontario).

“Percentage Grade” column

EQV is used instead of a percentage grade when equivalent credits are recorded.

ALT may be used instead of a percentage grade for alternative courses, which do not lead to credits.

“Credit” column

1.00 indicates one credit for the successful completion of a course scheduled for a minimum of 110 hours. Partial credits are indicated as **0.50** (a half credit), **0.25** (one-quarter credit), etc.

0 (zero) indicates that the student failed the course

W indicates that the student withdrew from the course

R indicates that the student repeated the course and that the percentage grade given for this attempt is the lower grade

N/A indicates a course with modified or alternative expectations that did not lead to a credit

“Note” column

The following notations may appear in this column:

S special indicator noting that the student's performance in a Grade 11 or 12 course or an OAC was affected by extraordinary circumstances

I interdisciplinary studies

F course taught in French in a Core, Extended, or Immersion program

C cooperative education
