CALENDAR SYSTEM

Prior to August 2020, Cary Academy operated on a Trimester system. Beginning with the 2020-2021 school year, Cary Academy operates on a Semester system.

COURSE NOTES

The transcript includes all coursework at Cary Academy and online courses approved for Cary Academy credit (typically limited to one per year).

Cary Academy offers ADVANCED (ADV) courses in lieu of Advanced Placement (AP) courses. These courses, our highest level, are taught with the rigor and expectations of AP courses but allow teachers to emphasize areas of study not prescribed in the AP syllabus. Most Cary Academy students enrolled in ADV courses take the corresponding AP exam offered by the College Board.

The following ADV courses meet extra periods each week with no additional credit awarded: ADV Biology, ADV Chemistry, and ADV Physics-Mechanics.

Cary Academy also offers Honors-level courses in Geometry, Algebra II, and Precalculus.

NO RANK/NO GPA POLICY

Because our graduating classes are small, our program highly rigorous, our range of grades narrow, and our students almost without exception entering competitive four-year colleges, it is our policy to neither rank our students nor compute GPA.
