UNOFFICIAL COPY. For an official copy, please contact the counseling office.

Due to school closure in the Spring of 2020 because of COVID-19, students who were not receiving a passing grade at the end of the semester, were assigned an Incomplete. This is signified with "I-COVID" on the transcript. I-COVID did not earn credits or factor into GPA's.

NOTE: Beginning SY 17-18, Paul Laurence Dunbar transitioned to Standard Based Grading; therefore, percent grades are no longer calculated and will not be on the transcript from SY 17-18 forward. Prior to SY 17-18, the percent format will remain on the transcript as it was originally posted. Grades received at technical centers and for Dual Credit courses will still receive percent grades.
