# **SCHOOL AND COMMUNITY PROFILE**

Glen Allen High School is the newest high school in Henrico County. Centrally located, Glen Allen High School opened Sept. 7, 2010. The school is comprised of approximately 1,900 students and 150 staff members. Students at Glen Allen also enjoy opportunities available at HCPS' two Advanced Career Education Centers.

# ACADEMIC CHARACTERISTICS

The school year is divided into two semesters. A semester is 18 weeks with two nine week reporting periods. The curriculum offers a variety of college-prep, Advanced Placement and honors courses as well as a variety of electives in business, Marketing, Family and Consumer Sciences, Technology Education, Fine Arts and the general academic areas.

All HCPS courses for SY20-21 appear with a "DL" (Distance Learning) designation on the high school transcript as a result of VDOE procedures for data collection requiring section coding to reflect instructional delivery in a fully-virtual or blended-learning format in response to the COVID-19 pandemic.

### **AP Curriculum**

Arts IV

# **GPA and CLASS RANKING**

Class rank and grade point average are determined by the levels of courses taken and the grades earned in those courses. Grades earned in courses completed in middle school that were awarded a high school credit will not be computed as part of the high school cumulative GPA. High school courses completed during the summer before entering ninth grade will be included in the GPA. Students are ranked numerically in ascending order, according to GPA, at the end of the junior year and at the end of first semester of the senior year. Students who are earning either a Standard or an Advanced Studies diploma are included in class rank. Beginning with the class of 2017, total grade points include an additional 0.5 quality point for any Honors and a 1.0 guality point for any AP/dual-enrollment class taken. Parents/Guardians may elect to have class rank excluded from appearing on the student transcript (opt out).
